Sir,

I have the honor to acknowledge the receipt of your letter dated 30th November 1807 - informing me of the Boards Sanction for my Moyenzabitah for 1217 fusly and communicating the Orders of the Board to discontinue the establishment of the Sibbindy Company entered in the Moyenzabitah under the Head of Talook Peons, according to the Orders of the Board the Sibbindy Company Consisting of 84 Men will be disbanded at the end of this Month should the Board finally direct.

This Company of Sibbindy was entertained by Sanction of Government so long ago at the time of M^r. Irwin the Superintendant of the Southern assigned Provinces, and has served the Company under various authorities till the present period for upwards of 15 and Many for 25 Years the Chief duties performed by them was the protection of the Collectors Treasury they were also for a long period exclusively employed under Captain Dighton the Officer who held the Command of the ost of Sheevelapatore and were - - frequently employed h him against Several turbulent Poligars and in other ations of No Small trust and danger and their good Conduct itled them to the approbation and the Continuance for so long n employment -

On the present occasion I think it my recommend to the favorable Consideration of the Board enclosed Petition and translate received from them the Small thly Salary of 249-14-32 Received by them Might be defrayed m the Revenue of the New Shark fishing the annual proceeds hich I Conceive will be amply Sufficient to defray the rges of the Sibbindy Company and they will be always nd useful and Necessary to escort Treasure from the eens Stationed in the Attached Pollams and in protecting Records of the Collector Cutcherry I hope to be favored h the final Orders of the Board regarding them.

The Small amount Charged for Batta to Lascars has been always allowed to the Collector of the Southern Peshcush owing to the great extent of District under his Superintendence I therefore hope the Board will be favorably pleased to Continue that indulgence. In the Same letter I am directed by the Board to explain the Cause of loss Charged under the Head of Batta amounts annually to Star Pagodas 1814-2-63. under date the 13th August 1800 Orders were received from the Board to Pay the Marawa Battalion in Sooly fanams at the rate of 30 Sooly fanam the Star Pagoda the rate at which the Revenues are Collected from the Ravenie of Ramnad is 27¾ Sooly fanams Pr. Star Pagoda and 120 Pt. Pagodas for 100 Star Pagodas the difference between the amount of Receipts & disbursements causes the above annual Charges of 1814 Pagodas 2 fans & 63 Cash.

Collector intends to refund this amount without reference the present Collector will call upon him to do so, but if he wishes to refer it to Government it must be accompanied by his reason for having disbursed the amount without Sanction	No. 2 The actg. Collector received Charge from Mr. Wallace of Trichinopoly by order of Government dated 7th May 1801 and as Sanction was given him to draw the Allowances of Collector during the period he was in Charge then the allow[ance] for Tents was also drawn. The date of Sanction given to the Coll[ector] to draw Tent allowance is dated 8th Octr. 1803 & was to enable him to effect a Moyetwary Settlement with the Inhts. on which duty the actg. Collector was actively engaged during his management the Civil auditor will find the actual amount of Tent allow[ance] received by the acting Collector of Trichinopoly on reference to the Receipts signed by the acting Collector forwarded to his off[ice] with the monthly accounts 3 The acting Collector has no Concern with the amount drawn as Sub Collector, Tent allowance, nor does he know that any Voucher has been given by him for it. 4 Assistant's Tent allowance was drawn and paid on Sanction from the Board dated 15th December 1801 & 13th Feb[...] 13. The acting Collector does not admit the Correctness of this retrenchment The amount was disbursed and Regular Vouchers obtained from the parties to whom it was paid the authority of the Board is dated 16th April 1804 here quoted by which the acting Collector of Trichinopoly Considered himself authoriz[ed] to make the disbursement, as the parties to whom it was made appeared in his judgement to be enti[tled] to it especially as it was their Only maintenance and which had been for a long time bestowed on them by the liberality and Bounty of the former Government and which if suddenly discontinued would have plunged them into the utmost distress Should the Civil auditor not be Satisfied with this explanation the acting Collector requests he will Submit it for the determination of the Honble the Governor in Council

Sir,

Having applied as directed by the Board the Government Vakeel in the Zillah Court of Ramnad to have the Petition rejected which has been lodged by the Zemindar of Cadumboor to recover from Government damages amounting to 254..8..27 sustained by him in consequence of an incroachment made on the land of his Village by the Zemindar of Ettiapoor the name of which Village had by an Omission of the Native Servant of the Collector been omitted to be entered in the Margin of the Deed of Permanent Property given to him as Government could not with justice be made Defendant in a dispute between two Individuals the Reply made by the Zillah Judge to my application I have now the honor to enclose by which the Board will perceive it to be the Opinion of the Court that not only the Names of the Several Villages of each Zemindary should be specified in the Body of the Deed of Property granted to the Zemindar - but the exact boundary of each Village should be also specified — I do not see how it is possible to enter the Boundary of every Village of each Zemindary in the Deed of Permanent Property unless an Actual Survey be first made to ascertain the extent of land of each Zemindary and then of each Village belonging to it I also think it necessary to observe to the Board that there is scarcely a Zemindar under my authority but what has at present some dispute with his Neighbour relative to the Boundary of his land and the Opinion now given by the Judge holds out no small encouragement to the Several disputants to prosecute Government for heavy & exaggerated losses the one will allege he has sustained by the incroachment of the Other

I request to be furnished with the instructions of the Board on this subject -

To the President and Members of the Board of Revenue

Fort St. George

Gentlemen

I have the honor to acknowledge the receipt of the Boards Circular Letter under date 28th May last Calling for a Concise and Satisfactory Report on the Causes to which any encrease or decrease in the Salt Revenue between 1216 & 1217 Fusly may be ascribed.

I had the honor under date the 19th June and 15 October 1807 to report particularly to the Agent for Salt Monopoly on the Causes to which I ascribed the Small decrease in the Salt Revenue in this District for 1216 fusly and of the Measures I had adopted as best Suited in my opinion to Check the illicit Sale and transit of Salt.

In laying before the Board Abstract Comparative Account of the Gross and Net Receipts from Sale of Salt in Fuslies 1216 & 1217 I am happy to observe I have not been disappointed in my expectation of the Result of the Measures I had adopted in the Latter end of the proceeding fusly to improve this Branch of the Revenue intrusted to my Charge.

The Board will perceive by the accompanying Abstract that the Gross Receipt of Salt Revenue in 1216 fusly amounting to Star Pagodas —— 20427-9-61
In 1217 Fusly to —— 29409.38-17
Leaving a Gross Increase of StPagodas —— 8982-34-13
The Nett Revenue of 1216 Fusly was —— 14976-9-61
The Nett Revenue of 1217 Fusly —— 23474-1-46
Difference of Nett Increase of Salt Revenue in 1217 Fusly brought to account 8497-36-65
To this may be added the amount of Fines Levied from the Native Salt Servants for inattention to their duty and for Salt illicitly Carried away being Seized and Confiscated in the Zillah Court on Petition by the Collector as pr accompanying Statement No. 1 —— 912 13-17

Total Salt Revenue in 1216 fusly Star Pagodas —— 9410-5-2
from this is to be deducted the Sundry Items paid from the fines as detailed in Statement No. 1 —— 409 22 72
Nett Salt Revenue of Fusly 1217 StPagodas —— 9000 27-11

From the above Statement the Board will perceive that the Salt Rev of this District has been Considerably improved beyond any former

... titution of the Monopoly the Small difference between

the Salt Revenue of 1216 Fusly and the Fusly preceding it arises by the Sale of forty or fifty Garce of Salt, more in the former than in the following Fusly & so small a Variation in the amount of Sales must occasionally happen as the Demand for Salt in Market is greater or less

I trust the above increase of Revenue will prove satisfactory and that the measures adopted by me in managing this Branch of Revenue will meet with the approbation of the Board and of the Honble the Governor in Council.
